Here, you can find out what kind of voter you are and how that lines up with your ballot this year! Find your sample ballot here: <https://myballotmn.sos.mn.gov/> to look at your full slate of candidates. If you don't see your candidate here, they either did not respond to our request to fill out our questionnaire (pdf with responses will be linked) OR they don't align with the values of young folks in your city.
